October 17: Game Based RIM Training

How much does your organization value Records Management training? Do you have a successful program in place already, or do obstacles exist in getting valuable information to the right people?

Come Join ARMA Mid-Michigan for a fun filled event on improving RIM training methods. Chapter members will encourage attendees to collaborate with each other, especially focusing on hands-on exercises, interactive games, polling technology, and the importance of live webinars, online courses, and virtual meetings. So bring your best game faces and empty tummies to Applied Imaging on Aurelius Rd. in Lansing on Wednesday, October 17.

Time: 4:00 pm - 5:00 pm

Location: Applied Imaging

5858 S. Aurelius Rd., Detroit, MI 48202

Cost: \$5.

RSVP by October 15 to sarah.sherwood@wacker.com or on Facebook
